 Transmission Warranty **AND**
 an Additional 1-Year Clutch Warranty*

Receive an enhanced 3-year transmission warranty and an additional year of clutch warranty when you bundle a Standard or FLEX Reman transmission with an Advantage Series or EverTough clutch and Eaton-approved lubricant. Standard warranties apply on individual purchases of the transmission and clutch.

Build your Reman Bundle in Three Easy Steps

Step 1: Select a Reman Transmission

An Eaton Reman transmission, whether Standard or FLEX, is made with Genuine Eaton parts and more new parts than an ordinary rebuild. Every unit is performance tested to ensure Eaton quality specifications.

Step 2: Select an Advantage Series or EverTough Clutch

Eaton's Advantage Series clutches are made for the long haul. They feature a 50K mile standard lubrication interval for linehaul applications and come with a standard 2-year unlimited warranty, which is upgraded to three years when bundled. EverTough clutches offer a unique combination of durability and support in an aftermarket clutch. All EverTough clutches are 100% new and offer a standard one-year unlimited mile warrant, which is upgraded to two years when bundled.
