RE: Eaton Clutch Core Buy-Back Program

Dear recipient,

Eaton is pleased to offer a buy back on clutch cores that are in the marketplace. We are currently accepting 3 variants of cores as listed below. Eaton will pay the amount shown in the chart based on the following criteria. Clutches not meeting all of the criteria below will be rejected, scrapped and not paid.

1. **Genuine Eaton cores** are only eligible for the buy-back program.
2. Clutch cores must be **fully assembled** – unless agreed to in writing by Eaton before the return is received.
3. No cracks, welds, or bulges in the clutch casting – external visual inspection only.

Eaton Clutch Model	Value
15.5" Easy Pedal Cores (108 or 208 series part numbers)	\$35.00
Solo Clutch Cores (109 or 209 series part numbers)	\$25.00
Stamped Angle Spring Cores (107 series part numbers)	\$30.00

Payments will be made following receipt, inspection, and validation of quantities at Eaton's core center. A receipt will be required once payment is complete.

Please complete and return the attached Eaton Clutch Core Buy Back Request Form to initiate the process. **Do not ship cores until you have the authorization form approved by Eaton via email.**

Any questions please contact Luivi Valero.
